BATTLE OF THE BADGES

SUBLETTE COUNTY – The Sublette County Sheriff’s Office teamed with Wyoming Highway Patrol to play Sublette County Unified Fire and Sublette County EMS in a flag football game for the annual Battle of The Badges last week.

In total, over \$2,000 were raised to help pay for medical treatment and care of Sublette County Deputy Ty Huffman.

Even a collective jump from the SCSO/WHP team can’t stop a field goal kick in the second half.

Sparky walks out to midfield with members of both teams and younger family members to hold an impromptu dance-off.
